

EXECUTIVE ORDERS

EO on Delegating Authority Under the DPA to the CEO of the U.S. International Development Finance Corporation to Respond to the COVID-19 Outbreak

HEALTHCARE

Issued on: May 14, 2020

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Defense Production Act of 1950, as amended (50 U.S.C. 4501 *et seq.*) (the “Act”), and section 301 of title 3, United States Code, it is hereby ordered as follows:

Section 1. Policy. In Proclamation 9994 of March 13, 2020 (Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak), I declared a national emergency recognizing the threat that the novel (new) coronavirus known as SARS-CoV-2 poses to our Nation’s healthcare systems. In recognizing the public health risk, I noted that on March 11, 2020, the World Health Organization announced that the outbreak of COVID-19 (the disease

caused by SARS-CoV-2) can be characterized as a pandemic.

To ensure that our country has the capacity, capability, and strong and resilient domestic industrial base necessary to respond to the COVID-19 outbreak, it is the policy of the United States to further expand domestic production of strategic resources needed to respond to the COVID-19 outbreak, including strengthening relevant supply chains within the United States and its territories. It is important to use all resources available to the United States, including executive departments and agencies (agencies) with expertise in loan support for private institutions. Accordingly, I am delegating authority under title III of the Act to make loans, make provision for purchases and commitments to purchase, and take additional actions to create, maintain, protect, expand, and restore the domestic industrial base capabilities, including supply chains within the United States and its territories (“domestic supply chains”), needed to respond to the COVID-19 outbreak.

Sec. 2. Delegation of Authority Under Title III of the Act. (a) Notwithstanding Executive Order 13603 of March 16, 2012 (National Defense Resources Preparedness), and in addition to the delegation of authority in Executive Order 13911 of March 27, 2020 (Delegating Additional Authority Under the Defense Production Act With Respect to Health and Medical Resources to Respond to the Spread of COVID-19), the Chief Executive Officer of the United States International Development Finance Corporation (DFC) is delegated the authority of the President conferred by sections 302 and 303 of the Act (50 U.S.C. 4532 and 4533), and the authority to implement the Act in subchapter III of chapter 55 of title 50, United States Code (50 U.S.C. 4554, 4555, 4556, and 4560).

(b) The Chief Executive Officer of the DFC may use the authority under sections 302 and 303 of the Act, in consultation with the Secretary of Defense, the Secretary of Health and Human Services, the Secretary of Homeland Security, and the heads of other agencies as he deems appropriate, for the domestic production of strategic resources needed to respond to the COVID-19 outbreak, or to strengthen any relevant domestic supply chains.

(c) The loan authority delegated by this order is limited to loans that create, maintain, protect, expand, or restore domestic industrial base capabilities supporting:

(i) the national response and recovery to the COVID-19 outbreak; or

(ii) the resiliency of any relevant domestic supply chains.

(d) Loans extended using the authority delegated by this order shall be made in accordance with the principles and guidelines outlined in OMB Circular A-11, OMB Circular A-129, and the Federal Credit Reform Act of 1990, as amended (2 U.S.C. 661 *et seq.*).

(e) The Chief Executive Officer of the DFC shall adopt appropriate rules and regulations as may be necessary to implement this order.

Sec. 3. Termination. The delegation of authority in this order shall expire upon termination of the 2-year period during which the requirements described in section 302(c)(1) of the Act (50 U.S.C. 4532(c)(1)) are waived pursuant to title III of division B of the Coronavirus Aid, Relief, and Economic Security Act (Public Law

116-136).

Sec. 4. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP

THE WHITE HOUSE,
